“ Dear Ed, Jane and Richard and the entire extended family. My heart and prayers are with each of you as you travel this difficult road. It seems impossible to find the right words to say during a time like this, but one thing is for sure....God will get you through it. If there is anything at all that I can do for you guys, don't hesitate to let me know. I love you all dearly and I will continue to pray that God will wrap His loving arms around you and carry you through this time. Always rely on Him as well as your family and friends. That is what we are all here for -- to help those that are left behind. All my love, Laura

“ Dear family and friends,
Our condolences go out to you at this most difficult time. Please know that you are in our thoughts & prayers!
Ralph, you were a wonderful friend & mentor to my Dad, Ray Blanchard. He cherished your friendship and we were lucky to get to know you as a result. You were one of the most kind, considerate, and giving people I've ever known! Thanks for your sage advice on multiple occasions; you were an angel right here on earth! I look forward to seeing you again in heaven some day!
Until we meet again...
