“ I'm so sorry to hear of Sally's passing. No one notified us or we would have been there to represent Wayne's side of the family. You will be sadly missed. Please accept our condolences to the family and friends.

“ “Grieve not, nor speak of me with tears, but laugh and talk of me as if I were beside you. I loved you so—“twas heaven here with you.” That reminded me of you Sally. All of your family and friends as well as baby girl will miss you but can rest easy knowing you are in a better place looking down on them!!

“ It's hard to believe that you're gone. It was so unexpected but I know you are happily reunited with Wayne in a wonderful place. I know you are looking down and smiling at your daughter and feeling pride. I know you will never miss an event in your grand kids lives because you'll always be watching over them. Rest in peace, Sally.

“ Momma I miss you so much already. I know that you have been with me every step of the way. I hope I am making all the right decisions and that I have made you proud. I cannot believe that the kids will not be able to make new memories with you, but I promise you that they will never forget you. All my love, forever. Your daughter.
