“ I'm so very sorry to hear of Sherry's passing. She was a wonderful person with a great sense of humor. I met Sherry thru my friend/neighbor who was her husband's aunt. I was glad to be able to keep up with Sherry online. We shared a love of our pets. Sherry was a doting mother who loved her children and especially her grandchildren. Sending my sincere condolences to the family and friends.

When we all came to visit grandma Hopping. we would go swim in the Sterling Lake. Spent A few Holidays together. We found each other on Fb later on and had some conversation about our families.. I will miss those and you. Your Brothers will always be in thoughts my prayers
