“ Verna,Dennis,and Rebecca were an integral part of a group thats slowly fading away, in our 30`s we used to have a lot of parties, and stay up until the morning, now for myself I`m asleep by 8pm, who would have thought that we would be in the boat about losing our Darlings, Verna is now in the hands of Jesus an doing very well , its said we will all be together again, I am hoping against hope for that. From my devotional, We say goodbye,but only until that new days dawns and we are together with the Lord, that gives me comfort an hope, I sincerely hope it helps out in the coming days. Your friend, working partner , for 60 years. Mike
